

## Department of State

## § 9a.4

information in accordance with procedures set forth in 22 CFR 171.20-25. Mandatory declassification review requests should be directed to the Information and Privacy Coordinator, U.S. Department of State, SA-2, 515 22nd St., NW., Washington, DC 20522-6001.

### § 9.11 Systematic declassification review.

The Information and Privacy Coordinator shall be responsible for conducting a program for systematic declassification review of historically valuable records that were exempted from the automatic declassification provisions of section 3.3 of the Executive Order. The Information and Privacy Coordinator shall prioritize such review on the basis of researcher interest and the likelihood of declassification upon review.

### § 9.12 Access to classified information by historical researchers and certain former government personnel.

For Department procedures regarding the access to classified information by historical researchers and certain former government personnel, see Sec. 171.24 of this Title.

### § 9.13 Safeguarding.

Specific controls on the use, processing, storage, reproduction, and transmittal of classified information within the Department to provide protection for such information and to prevent access by unauthorized persons are contained in Volume 12 of the Department's Foreign Affairs Manual.

AUTHORITY: E.O. 11932 (41 FR 32691), E.O. 11652 (37 FR 5209, National Security Council Directive of May 17, 1972 (37 FR 10053)).

SOURCE: 42 FR 46516, Sept. 16, 1977; 42 FR 57687, Nov. 4, 1977, unless otherwise noted.

### § 9a.1 Security of certain information and material related to the International Energy Program.

These regulations implement Executive Order 11932 dated August 4, 1976 (41 FR 32691, August 5, 1976) entitled "Classification of Certain Information and Material Obtained from Advisory Bodies Created to Implement the International Energy Program."

### § 9a.2 General policy.

(a) The United States has entered into the Agreement on an International Energy Program of November 18, 1974, which created the International Energy Agency (IEA). This program is a substantial factor in the conduct of our foreign relations and an important element of our national security. The effectiveness of the Agreement depends significantly upon the provision and exchange of information and material by participants in advisory bodies created by the IEA. Confidentiality is essential to assure the free and open discussion necessary to accomplish the tasks assigned to those bodies.

(b) These regulations establish procedures for the classification, declassification, storage, access, and dissemination of certain information related to the International Energy Program.

### § 9a.3 Scope.

These regulations apply to all information and material classified by the United States under the provisions of E.O. 11932, dated August 4, 1976 entitled "Classification of Certain Information and Material Obtained From Advisory Bodies Created To Implement The International Energy Program."

### § 9a.4 Classification.

(a) Section 1 of E.O. 11932, August 4, 1976 directs that information and material obtained pursuant to the International Energy Program and which requires protection against unauthorized disclosure in the interest of the national defense or foreign relations of
